Terms

Parents of students that are assigned a take home device may be required to pay a non-refundable annual charge. Users will comply at all times with the JPS Technology Handbook guidelines. Any failure to comply may terminate user rights of possession effective immediately and the District may repossess the device. Any lost, stolen or damaged devices must be reported to school authorities immediately according to District mandated time limits and following the District defined procedures.

Title

Jackson Public Schools has legal title to the property at all times. The user's right of possession and use is limited to and conditioned upon full and complete compliance with this agreement and the JPS Technology Handbook guidelines.

Loss, Theft or Full Damage

Should a device be damaged, lost, or stolen the student or parent/guardian should immediately notify the school administration. At that time the parent/guardian will be advised to file a police report. If the device is lost, stolen, or damaged, the parent may be responsible for the full replacement cost. The parent/guardian may be responsible for the full replacement cost if the loss is not reported to JPS personnel within 3 days of a missing device during the regular school term, and/or on the first day of school following a school holiday.

In the event that a device is damaged, and that damage is not covered by warranty, the parent/guardian may be assessed the fee for the repair as outlined in JPS board policy JIAB.

In the event of a lost or stolen device, and once a police report is filed, the Jackson Public School District, in conjunction with law enforcement, may deploy software which may aid the police in recovering the device. Any attempt to remove this location software will violate the Acceptable Use Policy and result in repossession of the device and may result in disciplinary action according to the JPS Student Code of Conduct.

Students who leave Jackson Public Schools during the school year must return the device and all other issued accessories at the time they leave the District. The device and all accessories should be returned to the school administrator or his/her designee. Any fees for damage or loss will be assessed at that time. Failure to pay fees may result in transcripts being withheld per Miss. Code Ann. §37-7-301.
