

CLASS SIZE

In making student and teacher assignments to classes, principals shall be governed by state statute and the appropriate accreditation standards developed by the Mississippi Commission on School Accreditation.

Class sizes shall be in accordance with existing state statutes. To qualify for funding from the State of Mississippi under its Adequate Education Program (MAEP), class sizes should not exceed a pupil-teacher ratio of 27:1 based on enrollment in grades 1-4. For kindergarten and grades 5-12, the pupil-teacher
